WE ARE THE EXPERTS

Welcome to our **Spanish Homestay Immersion Programme (SHIP)** in Barcelona province!

The **Spanish Homestay Immersion Programme (SHIP)** is our hands-on alternative to **Spanish Intensive Courses**. Live and breathe the Spanish way of life and immerse yourself in Spanish culture.

This programme is offering you the truly unique opportunity to **LIVE** and **LEARN SPANISH** in your **TEACHER'S HOME** in **BARCELONA PROVINCE!**

ABOUT YOUR HOST TEACHER IN BARCELONA

As a teacher, I have experienced over the last two decades the joy of achievement, by measuring the **success of the many students** I have taught from young ones to the young-at-heart.

In my teaching practice, I place a huge emphasis on the importance of **immersion in the language and culture**, through games, sports, films, music, books and simple but rich conversations.

I strongly believe that **culture and language are inextricably linked** and that a complete understanding of a language cannot be achieved without a thorough knowledge of the culture from which it springs.

Likes and passions:

- Walking my two Golden retrievers Rumba and Samba
- Photography
- Travel and tourism
- Art, cinema and theatre
- Spending time with my family and friends

I seek to instil in my students a keen grasp and appreciation of Spanish-speaking countries and cultures.

So if you're ready to immerse yourself in the Spanish culture, I wait for you here in Barcelona!

MÓNICA

"This educational immersion programme is not only my job but also my passion, as I love making new friends from all corners of the world".

ABOUT YOUR HOSTS IN BARCELONA

Woof! My name is Samba...

I am wild at heart and very active. I love running; in fact, I can run for miles. Yes, I know, I am a **Golden Retriever**, but that's the way it is.

I am **in charge of guarding** the house because I love protecting my family. My sister, Rumba, does the barking, I do the staring.

One of the things I enjoy the most is playing with my Mummy. Sometimes we play with the tennis ball, hide and seek or with the ropes.

Woof! My name is Rumba...

I am the happy tail, especially when food is involved. Oh, yes, **I am a proper Golden Retriever**, very greedy, especially when my Daddy opens the tuna tin... I dribble big time!

I love taking naps on the bed, on the chair, on the sofa, anywhere really, and if I can manage to fit on someone's lap, even better... but the best part is sleeping on the pillow, next to my Mummy!

IMMERSION BENEFITS

What are the benefits of our **Spanish Homestay Immersion Programme (SHIP)** *Live & Study Spanish in your teacher's home*?

Living and studying a language in your teacher's home can offer a number of benefits, including:

1. **Immersion:** Living with your teacher provides an immersive experience, allowing you to be constantly surrounded by the language and culture you are studying. This can accelerate your learning and help you to develop natural speaking and listening skills.
2. **Personalized learning:** Living with your teacher allows for personalized and tailored instruction. Your teacher can focus on your individual needs and work with you to improve your weaknesses.
3. **Cultural experience:** Living with your teacher provides a unique opportunity to experience the culture firsthand. You can learn about customs, traditions, and ways of life that are not easily learned in a classroom.
4. **Practice outside of class:** Living with your teacher provides ample opportunity to practice the language outside of class time. This can include informal conversations at meal times or while doing activities together.
5. **Convenience:** Living with your teacher eliminates the need for commuting to and from classes, allowing you to spend more time studying and practicing the language.

Overall, living and studying a language in your teacher's home can be a highly effective way to learn a language, as it offers an immersive and personalized learning experience, as well as a unique cultural experience.

STUDENTS' TESTIMONIALS

HEAR WHAT OUR STUDENTS HAVE TO SAY...

TIFF

For me, learning Spanish with Mónica and **the team was a really fun** experience at home so I decided to take part in the immersion programme.

Visiting Mónica's home in Maresme, just outside of Barcelona, was the **perfect opportunity for me to really enhance my Spanish**. I was able to explore the metropolitan and diverse city of Barcelona, whilst being based in a hub of authentic Spanish culture 24/7.

Living in my teacher's home was an unforgettable cultural and fun experience. Immersing myself in the lifestyle boosted my confidence with Spanish and made for an exceptional break. I can't think of a better way to experience Spain.

LIAM

I came to **Spanish Express** to prepare myself to live and work for a year in Madrid. It was my first experience in Spain and one of my first with the language, and I couldn't have had a better introduction.

My Spanish drastically improved this week with Monica, as did my knowledge of Spanish **culture and history**.

The program offered by Spanish Express is an incredible way to **immerse yourself in another language and culture**.

ALASDAIR

This week of immersion in **Barcelona** at Monica's house has been incredible.

I have loved all the activities, especially the football club, the visit to Barcelona city and the visit to Rukimon, **a donkey reserve in the Montnegre i Corredor Natural Park**, where Mónica lives with her parents and Rumba and Samba, two Golden Retrievers very nice who always want to play and eat.

I have learned a lot about the **culture of Spain** and I am very happy because my listening comprehension has improved a lot and I feel more confident speaking **Spanish**.

OTHER IMPORTANT INFORMATION

HEALTHCARE

EU residents are entitled to free health care while in Spain for holidays or for the first three months of their stay, so long as they can provide an EHIC (European Health Insurance Card). This will cover any immediate treatment needed. Medical conditions that do not require immediate treatment might incur charges. The EHIC card is not valid for health care in Spain if the holder is a Spanish resident.

The card only covers you for publicly-funded health care in Spain, not private, so make sure that the clinic or surgery you attend is aware of this, especially if both public and private services are on offer. Also, should you need an ambulance, make sure that it takes you to a hospital that offers treatment that the EHIC card will cover.

ENGLISH-SPEAKING DOCTORS & NURSES

It is possible, but not guaranteed, that you will find an English-speaking nurse or doctor in most hospitals. If an English-speaker is not available, most health services, particularly those in touristy areas, will provide an interpreter at a cost. In some regions, doctors refuse to treat patients who cannot speak Spanish unless they have an interpreter, as it can double diagnosis time. Finding an English-speaking doctor in a private hospital is almost guaranteed.

ENGLISH-SPEAKING DENTISTS

Visits to the dentist must be paid for in Spain and are not available under the state system except in certain circumstances. Children aged 6 to 15 years old have the right to a free dental health programme. In popular expat areas along the coast, several dental practices cater to English speakers. Private dental work in Spain tends to be cheaper than private dentistry in the UK.

PHARMACIES

Pharmacies are everywhere in Spain, even in the smallest villages, indicated by an illuminated green cross. The prescription service is much more relaxed than in the UK, with many items that would require prescriptions in the UK available over the counter. These include antibiotics and asthma inhalers, as just two examples.

CONTACTS

The Department of Health has two offices in Spain, which can deal with health care enquiries from British nationals either visiting or living in Spain. You can find more details at healthcareinspain.eu.

VISAS

What documentation is required to travel to Spain?

The documentation required to travel to Spain varies according to the country of origin. If you are a citizen of an EU country, Switzerland, Norway, Iceland or Lichtenstein, you will need a valid passport or ID card. Additionally, in the case of a minor travelling with an ID document, this must be accompanied by written permission from the parents. If you come from another country: the maximum stay in Spain is 90 days.

There are several countries whose citizens are required to have a valid current visa to enter Spain.

You can check them on this list:

<http://www.exteriores.gob.es/Portal/es/ServiciosAlCiudadano/InformacionParaExtranjeros/Documents/listapaisesvisado.pdf>

Citizens of these countries can also travel to Spain if they have a residence permit or a long-term visa issued by another country in the European Union (except the United Kingdom, Ireland, Romania, Bulgaria and Cyprus), Switzerland, Norway, Iceland and Lichtenstein.

Citizens of all other countries must have documents that justify the object and the conditions of their stay and show they have sufficient economic resources for their maintenance throughout the period they are intending to remain in Spain. The documents they are required to present will vary according to the motive for the trip.

Nearest airport: Barcelona (BCN)

It is advisable to take out travel insurance for your trip.

Given that conditions may vary, we suggest you contact the Spanish Embassy or Consulate to verify these requirements before you start your trip.

WEATHER

Barcelona has a Mediterranean climate with mild winters and hot summers. Its average annual temperature is 21.2°C during the day and 15.1°C at night. In the coldest months, January and February, the temperature ranges from 12 to 18°C during the day and 6 to 12°C at night. In the warmest months, July and August, the temperature ranges from 28 to 32°C during the day and from 20 to 24°C at night.

Tip!

The weather is pleasant for most of the year. However, you'll experience the absolute best weather from April to the end of June making these months particularly attractive for a visit to the city.
