WE ARE THE EXPERTS

Welcome to our **Spanish Homestay Immersion Programme (SHIP)** in Burgos province!

This programme is offering you the truly unique opportunity to **LIVE** and **LEARN SPANISH** in your **TEACHER'S HOME** in **BURGOS PROVINCE!**

ABOUT YOUR HOST TEACHER IN BURGOS

We are teachers. We were born and live in Burgos. We have worked teaching Spanish and other subjects in schools in the capital and throughout the province for many years.

Together with our daughters, **we have traveled to many countries**, we even completed a round-the-world trip as a family for ten months, **sharing experiences with other families** in their homes. On many occasions families from other countries have also stayed in our home.

We have also hosted students from other countries who wanted to learn Spanish. It has always been a wonderful experience.

Besides traveling, **other hobbies include music, theatre, cinema, reading and writing, art exhibitions, hiking.**

We like to teach Spanish and, at the same time, **to show Burgos**, a city with **three World Heritage Sites:** the Cathedral, the St James Way, known as the Camino de Santiago, and the Atapuerca Archaeological Sites.

We both speak English, Marisol also speaks a little French.

Our teaching method is based on the needs of each student which, **together with the activities proposed, provide an enjoyable immersion in Spanish.**

MARISOL & ALBERTO

"We believe that the knowledge of other languages and their cultures enriches people and makes them more open and tolerant."

IMMERSION BENEFITS

What are the benefits of our Spanish Homestay Immersion Programme (SHIP) * Live & Study Spanish in your teacher's home*?

Living and studying a language in your teacher's home can offer a number of benefits, including:

1. **Immersion:** Living with your teacher provides an immersive experience, allowing you to be constantly surrounded by the language and culture you are studying. This can accelerate your learning and help you to develop natural speaking and listening skills.
2. **Personalized learning:** Living with your teacher allows for personalized and tailored instruction. Your teacher can focus on your individual needs and work with you to improve your weaknesses.
3. **Cultural experience:** Living with your teacher provides a unique opportunity to experience the culture firsthand. You can learn about customs, traditions, and ways of life that are not easily learned in a classroom.
4. **Practice outside of class:** Living with your teacher provides ample opportunity to practice the language outside of class time. This can include informal conversations at meal times or while doing activities together.
5. **Convenience:** Living with your teacher eliminates the need for commuting to and from classes, allowing you to spend more time studying and practicing the language.

Overall, living and studying a language in your teacher's home can be a highly effective way to learn a language, as it offers an immersive and personalized learning experience, as well as a unique cultural experience.

OTHER IMPORTANT INFORMATION

HEALTHCARE

EU residents are entitled to free health care while in Spain for holidays or for the first three months of their stay, so long as they can provide an EHIC (European Health Insurance Card). This will cover any immediate treatment needed. Medical conditions that do not require immediate treatment might incur charges. The EHIC card is not valid for health care in Spain if the holder is a Spanish resident.

The card only covers you for publicly-funded health care in Spain, not private, so make sure that the clinic or surgery you attend is aware of this, especially if both public and private services are on offer. Also, should you need an ambulance, make sure that it takes you to a hospital that offers treatment that the EHIC card will cover.

ENGLISH-SPEAKING DOCTORS & NURSES

It is possible, but not guaranteed, that you will find an English-speaking nurse or doctor in most hospitals. If an English-speaker is not available, most health services, particularly those in touristy areas, will provide an interpreter at a cost. In some regions, doctors refuse to treat patients who cannot speak Spanish unless they have an interpreter, as it can double diagnosis time. Finding an English-speaking doctor in a private hospital is almost guaranteed.

ENGLISH-SPEAKING DENTISTS

Visits to the dentist must be paid for in Spain and are not available under the state system except in certain circumstances. Children aged 6 to 15 years old have the right to a free dental health programme. In popular expat areas along the coast, several dental practices cater to English speakers. Private dental work in Spain tends to be cheaper than private dentistry in the UK.

PHARMACIES

Pharmacies are everywhere in Spain, even in the smallest villages, indicated by an illuminated green cross. The prescription service is much more relaxed than in the UK, with many items that would require prescriptions in the UK available over the counter. These include antibiotics and asthma inhalers, as just two examples.

CONTACTS

The Department of Health has two offices in Spain, which can deal with health care enquiries from British nationals either visiting or living in Spain. You can find more details at healthcareinspain.eu.

VISAS

What documentation is required to travel to Spain?

The documentation required to travel to Spain varies according to the country of origin. If you are a citizen of an EU country, Switzerland, Norway, Iceland or Lichtenstein, you will need a valid passport or ID card. Additionally, in the case of a minor travelling with an ID document, this must be accompanied by written permission from the parents. If you come from another country: the maximum stay in Spain is 90 days.

There are several countries whose citizens are required to have a valid current visa to enter Spain.

You can check them on this list:

<http://www.exteriores.gob.es/Portal/es/ServiciosAlCiudadano/InformacionParaExtranjeros/Documents/listapaisesvisado.pdf>

Citizens of these countries can also travel to Spain if they have a residence permit or a long-term visa issued by another country in the European Union (except the United Kingdom, Ireland, Romania, Bulgaria and Cyprus), Switzerland, Norway, Iceland and Lichtenstein.

Citizens of all other countries must have documents that justify the object and the conditions of their stay and show they have sufficient economic resources for their maintenance throughout the period they are intending to remain in Spain. The documents they are required to present will vary according to the motive for the trip.

Nearest airports: Madrid (MAD) or Bilbao (BIO)

It is advisable to take out travel insurance for your trip.

Given that conditions may vary, we suggest you contact the Spanish Embassy or Consulate to verify these requirements before you start your trip.

WEATHER

In Burgos, the summers are short, warm, dry, and mostly clear and the winters are long, very cold, windy, and partly cloudy. Over the course of the year, the temperature typically varies from -1°C to 27°C and is rarely below -6°C or above 33°C .

Tip!

The best time of year to visit Burgos for warm-weather activities is between May/June and September/October.
